OUR GOAL

TO FIND OUT BEST PLAYER IN INDIA IN ALL SPORTS

We are pleased to introduce- A unique package – Coaching at Your School exclusively brought to you by FFSSM Sports . The mission of FFSSM Academy is to improve the quality of life of children. It is committed to improvement of health , fitness and emotional well-being. There by contributing to the betterment of the community the need for children to remain active and energetic is felt in a greater way now as obesity is rapidly becoming the prime cause of disease and ill-health, FFSSM Sports Academy was therefore started in response to parents' need for their children to participate more actively in sports and encourage healthy lifestyle. It is committed to developing children both as players and individuals. We take a responsible and professional approach to coaching youngsters.

The AIM OF FFSSM Sports Academy provides pathways for aspiring student to reach higher goals at State, National and International levels through development programs, sharing information, ideas and experiences
